

KAY COUNTY GRAND JURY

On July 3, 2008 I requested record inspection of the Blackwell Industrial Authority annual financial documents and reports. The City of Blackwell was going to charge me a search fee for documents they should have on file. I did not pay the search fee. Copy of invoice attached.

Oklahoma Statute Title 60 Section 176.G states public trusts shall file annually, with their respective beneficiaries, copies of financial documents and reports sufficient to demonstrate the fiscal activity of such trust, including, but not limited to, budgets, financial reports, bond indentures, and audits.

Oklahoma Statute Title 51 Section 24A.5.3b states search fees shall not be used for the purpose of discouraging requests for information or as obstacles to disclosure of requested information.

This has stopped me from requesting more documents.
